

Economics Associate in Arts Degree for Transfer

The Associate in Arts Degree in Economics for Transfer, also referred to as the Economics AA-T degree (or ADT), prepares students to transfer to CSU campuses that offer bachelor's degrees in economics. Ed Code Section 66746-66749 states students earning the Economics AA-T degree will be granted priority for admission as an economics major to a local CSU, as determined by the CSU campus to which the student applies. The Economics AA-T focuses on the systematic study of the production, conservation and allocation of resources in conditions of scarcity, together with the organizational frameworks related to these processes. Coursework includes instruction in economic theory, micro- and macroeconomics. This program requires a total of 21-24 units of required courses and restricted electives. The following is required for all AA-T or AS-T degrees, and there are no additional graduation requirements: (1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (a) The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements. (b) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0. (3) ADTs also require that students must earn a C or better in all courses required for the major or area of emphasis. A “P” (Pass) grade is not an acceptable grade for courses in the major.

Required "Core" Courses (6 units)		Units
ECON 101 F	Principles of Economics - Micro or	3
ECON 101HF	Honors Principles of Economics - Micro	3
ECON 102 F	Principles of Economics-Macro or	3
ECON 102HF	Honors Principles of Economics-Macro	3
Required Courses (8 units)		Units
MATH 120 F	Introductory Probability and Statistics or	4
MATH 120HF	Honors Introductory Probability and Statistics or	4
SOSC 120 F	Introduction to Probability and Statistics	4
MATH 130 F	Calculus for Business or	4
MATH 151 F	Calculus I or	4
MATH 151HF	Honors Calculus I or	4
MATH 152 F	Calculus II or	4
MATH 152HF	Honors Calculus II	4
Restricted Electives (7-10 units)		Units
ACCT 101AF	Financial Accounting or	5
ACCT 102HF	Honors Financial Accounting	5
ACCT 101BF	Managerial Accounting	5
CIS 111 F	Introduction to Information Systems or	4
CIS 111HF	Honors Introduction to Information Systems	4
BUS 211 F	Critical Reasoning and Writing for Business or	3
BUS 211HF	Honors Critical Reasoning and Writing for Business	3
MATH 251 F	Multivariable Calculus	4
Total Units		21 - 24
