Highlighted courses are recommended

ANY major may follow the above list of courses.

CDES 261 F/261LF (equivalent in lieu to CSUF EDEL 315) are recommended for early field work experience.

Field work is a requirement for admission into CSU Fullerton's teaching credential program.

COUN 110 F does NOT and would not meet fieldwork experience requirement.

MATH 203 F is also highly recommended; will satisfy the elective category for the Liberal Studies Elementary Education plan.
