

**MEMORANDUM OF UNDERSTANDING BETWEEN
WESTERN UNIVERSITY OF HEALTH SCIENCES, COLLEGE OF PHARMACY
AND
FULLERTON COLLEGE**

1. Western University of Health Sciences, College of Pharmacy (WesternU) and Fullerton College (Fullerton) hereby enter into a Memorandum of Understanding (MOU) to establish a linkage program, to be known as the Fullerton/WesternU Community College Accelerated Pharmacy Pathway (CCAPP).
2. The Fullerton/WesternU CCAPP is designed for pre-pharmacy students at Fullerton who wish to secure Transfer Admission Guarantee (TAG) as candidates for the Doctor of Pharmacy (PharmD) degree at WesternU.
3. Students may follow the pathway in the following manner:
 - a. Fullerton shall establish a pathway that will allow interested students to complete all the required prerequisites in a preferred two-year period. The list of required prerequisites, as outlined in Attachment A, will be communicated annually to the designated liaison at Fullerton.
 - b. Students must complete all required prerequisites with a minimum grade point average (GPA) of 3.0 in these courses in order to be eligible for WesternU CCAPP TAG admission.
 - c. Students will ordinarily apply for acceptance to WesternU in the academic year prior to their intended WesternU matriculation.
 - d. Prior to enrollment at WesternU, prospective Fullerton/WesternU CCAPP students will complete an interview with WesternU.
4. WesternU will support Fullerton students through presentations, workshops, on-campus shadowing, and interactions with alumni, when possible.
5. When a student accepts admission to the Fullerton/WesternU CCAPP, they will authorize Fullerton to provide what information WesternU requires, as permitted by FERPA, to determine continued student eligibility.
6. Final acceptance decisions will be made by WesternU admissions. The criteria for TAG acceptance to WesternU PharmD program via CCAPP shall be as follows:
 - a. Completion of all prerequisite coursework with a grade of C or better.
 - b. Prerequisite course work completed to date with a GPA of at least 3.0. Grades from all institutions attended must be included (if required).
 - c. Supportive letters of reference from the liaison at Fullerton, and one additional science faculty member and/or a pharmacist.
 - d. Submission of a PharmD application through Pharmacy College Application Service (PharmCAS) no later than January 1 of the year of intended matriculation at WesternU. Submission of secondary application materials as requested by WesternU.
 - e. Evidence of suitability for the health care professions, as indicated by (1) a disciplinary record entirely free of proven violations of standards of student conduct, and (2) a successful interview at WesternU.
7. Upon receipt of acceptance to the WesternU PharmD program, candidates have two weeks in which to notify WesternU of intent to enroll.
8. The term of this MOU will be for five (5) years, beginning on the date of the last signature of the parties authorized to execute this MOU. Either party may terminate this MOU by giving written notice to the other party at least 90 days prior to the first date of the new academic semester. This MOU will continue to apply

to students who were enrolled in the Fullerton/WesternU CCAPP program specified in this MOU prior to the date of the termination.

9. This MOU is the complete agreement between the parties. The MOU may be amended only with the mutual written consent of both parties.
10. All notices concerning this MOU will be considered given at the time of receipt of the notice by the other party as follows:

If to Fullerton: Bridget Salzameda, Ph.D.
Dean, Natural Sciences
Natural Sciences Division
Fullerton College
321 E. Chapman Ave.
Fullerton, CA 92832

If to WesternU: Sunil Prabhu, BPharm, PhD
