The Fullerton College Paralegal Studies Program is approved by the American Bar Association (ABA) and does not prepare students for law school or the practice of law. Under California's Business and Professions Code, Section 6450 (et seq.), a paralegal may not market his or her services to the public, but must work under the direct supervision of an attorney licensed to practice law.

Students who wish to transfer course work from another ABA-approved program may be able to transfer up to six (6) restricted elective units provided the course is the same as a course offered in the Fullerton College Paralegal Studies Program and awards exactly the same number of units. Students who wish to attain an Associate in Science Degree or a Certificate from Fullerton College's Paralegal Studies Program must complete the 21 units of required courses for the major at Fullerton College. Students who wish to transfer in Paralegal Studies units must obtain prior approval from the Paralegal Department Coordinator or the Business Division Dean.
